DETAILED ACTION

1. Claims 1-17 are pending as a result of Applicant's supplemental amendment faxed 12 May 2005 following the examiner's initiated telephone interview and follow-up conducted on 7, 11, 12 May 2005.

Allowable Subject Matter

2. Claims 1-17 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or make obvious classifying input text to a classification system including determining a composite score based on at least first and second class-specific weights and at least first and second classification methods, in combination with all the limitations recited in claims 1, 8, 9, 16, 17.

Claims 2-7, 10-15 being further limiting and definite are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
